SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-68538; File No. SR-NYSE-2012-71)

December 27, 2012

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Price List to Waive Certain Fees for Floor Brokers for November and December 2012.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that December 17, 2012, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

¹ 15 U.S.C.78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

The Exchange proposes to amend its Price List to provide relief for Floor brokers from the Annual Telephone Line Charge and the Annual Fee for November and December 2012, which the Exchange proposes to become operative as of November 1, 2012. The text of the proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to provide relief for Floor brokers from the Annual Telephone Line Charge and the Annual Fee for November and December 2012, which the Exchange proposes to become operative as of November 1, 2012.

Currently, member organizations are charged an Annual Telephone Line Charge of \$400 per phone number. The Exchange proposes to waive the fee for Floor brokers

for November and December 2012 on a prorated basis because Hurricane Sandy affected the ability of Floor brokers to communicate with customers from the Floor.

The Exchange has been advised by its third-party carrier that the damage to the telephone connections is very extensive, and as a result, the telephone line connections for Floor brokers still are not fully operational and may not be so for at least another month, and possibly longer, given the type of work that needs to be completed to restore the telephone services. In particular, the Exchange notes that the telephone lines that support both the wired and wireless connections for Floor brokers are based in an area of lower Manhattan that suffered extensive damage as a result of Hurricane Sandy. The type of damage that was sustained will require the third-party carrier to rebuild the infrastructure that supports the telephone services, rather than engage in repairs of the existing lines.⁴ In addition to the damage to telephone lines, internet bandwidth has been reduced considerably. The Exchange notes that it is waiving the fee for Floor brokers only because off-Floor member firms were not impacted by these services. In addition, DMMs are on the Floor but do not engage in an agency business with customers from the Floor and, therefore, were not impacted by the telecommunications issues. The proposed waiver would be \$33.33 for each month.

⁴ The Exchange filed a rule change to temporarily suspend those aspects of Rules 36.20, 36.21, and 36.30 that would not permit Floor brokers and Designated Market Makers (“DMMs”) to use personal portable phone devices on the Floor following the aftermath of Hurricane Sandy and during the period that phone service was not fully functional. See Securities Exchange Act Release No. 68137 (November 1, 2012), 77 FR 66893 (November 7, 2012) (SR-NYSE-2012-58). The temporary suspension was subsequently extended for Floor brokers and DMMs, and again extended for Floor brokers after the Exchange was able to restore service for DMMs. See Securities Exchange Act Release No. 68161 (November 5, 2012), 77 FR 67704 (November 13, 2012) (SR-NYSE-2012-61) and File No. SR-NYSE-2012-64.

Currently, member organizations are charged an Annual Fee of \$40,000 per license (the equivalent of \$3,333.33 per month) for the first two licenses held by a member organization and \$25,000 per license (the equivalent of \$2,083.33 per month) for additional licenses held by a member organization. The Exchange proposes to provide a monthly credit of \$2,000 for the first and second Floor broker licenses held by a member organization and a monthly credit of \$500 for each additional Floor broker license held by a member organization for November and December 2012 because of the impact of Hurricane Sandy on Floor brokers. For example, a member organization with only one Floor broker license would receive a \$2,000 credit in November and December 2012, and a member organization with three Floor broker licenses would receive a total of \$4,500 in credits for November and December 2012.

As stated above, Hurricane Sandy had a disproportionate impact on Floor brokers compared with off-Floor member firms and DMMs, including limited telephone service, no direct customer telephone lines, limited Internet service, intermittent cellular telephone service at the Exchange, and persistent busy signals.⁵ As a result, Floor brokers face greater operating challenges and have experienced reduced activity from certain accounts and customers compared with pre-Hurricane Sandy levels. Therefore, Floor brokers are not getting the full benefit of their licenses.

The proposed waivers would apply retroactively and would be reflected in the December 2012 and January 2013 billing statements.

The proposed changes are not otherwise intended to address any other problem, and the Exchange is not aware of any significant problem that the affected member

⁵ As part of the proposed rule change, the Exchange proposes to renumber the footnotes in the Price List accordingly.

organizations would have in complying with the proposed changes.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁷ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers, or dealers. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁸ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, to protect investors and the public interest and because it is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that waiving the Annual Telephone Line Charge and providing a monthly credit for the Annual Fee for Floor brokers for November and December 2012 is reasonable because Hurricane Sandy affected the ability of Floor brokers to communicate with customers and the ease with which they could represent

⁷ 15 U.S.C. 78f(b)(4).

⁸ 15 U.S.C. 78f(b)(5).

public orders on the Floor. Therefore, the Exchange believes it is reasonable to provide relief for Floor brokers in this regard.

The Exchange believes the proposed change to the Annual Telephone Line Charge and Annual Fee for Floor brokers is equitable and not unfairly discriminatory because Floor brokers are the only class of member organization that was affected by the telecommunications issues, which has impacted their ability to conduct their regular business and has resulted in reduced activity from certain accounts and customers. Therefore, it is equitable and not unfairly discriminatory to offer the fee waiver and credit only to Floor brokers, which is the only class of Floor members not getting the full benefit of their licenses. In addition, the Exchange believes that because communications with customers is a vital part of a Floor broker's role as agent, during the period when phone service continues to be intermittent, Floor brokers should receive relief from the Annual Telephone Line Charge.

The Exchange believes that the proposed monthly credit of \$2,000 for the first and second licenses held by a Floor broker for November and December 2012 is reasonable because all Floor brokers hold at least one license, and as such, all member organizations that have a Floor broker license will receive at least a \$2,000 per month credit for November and December 2012. The Exchange believes that the proposed monthly credit of \$500 for each additional Floor broker license held by a member organization for November and December 2012 is reasonable because it will provide additional compensation to a member organization that holds and pays for more than two Floor broker licenses. In addition, the Exchange believes that the proposed credits are equitable and not unfairly discriminatory because member organizations that hold only

one or two Floor broker licenses are generally smaller and are less able to absorb the operating impact resulting from the infrastructure damage caused by Hurricane Sandy. In addition, member organizations that hold more than two Floor broker licenses pay a reduced Annual Fee for additional licenses, and therefore, it is equitable and not unfairly discriminatory to provide a lower monthly credit for each additional Floor broker license.

The Exchange believes that the proposed relief for Floor brokers removes impediments to and perfects the mechanism of a free and open market and national market system because it would provide relief for Floor brokers that are experiencing ongoing issues with telephone service while they are conducting their regular business on the Floor. The Exchange further believes that the proposed waiver and credit do not permit unfair discrimination because they would provide relief for Floor brokers that have been disproportionately impacted in their ability to operate as agents for customers during this time of unprecedented weather disruptions.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not: (i) significantly affect the protection

of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)(iii) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission notes that doing so will allow the Exchange to provide the proposed relief during the billing period in which the Floor brokers were affected. Therefore, the Commission hereby waives the 30-day operative delay and designates the proposal

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹² 17 CFR 240.19b-4(f)(6)(iii).

operative upon filing.¹³

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
